

BUG2BUILD

Offer Letter

Date: 1st January 2026

Dear **Madhavi**,

We are pleased to offer you the position of Technical Team Member with Bug2Build, an open-source and non-profit technology community dedicated to fostering collaboration, innovation, and knowledge sharing

As a Technical Team Member, your key responsibilities will include:

- Support the Technical Head in planning, guiding, and supervising all technical initiatives within the community.
- Assist in managing development teams, assigning tasks, and ensuring smooth workflow across active projects.
- Review code contributions, provide technical feedback, and maintain overall code quality and standards.
- Help design project architectures, roadmaps, and feature plans aligned with Bug2Build's mission.
- Collaborate with Project Leads, Research, and Marketing teams to ensure technical accuracy and alignment.
- Mentor contributors—especially beginners—by providing guidance, resolving technical doubts, and supporting their growth.
- Monitor project progress, identify technical bottlenecks, and propose efficient solutions.

We are confident that your skills and enthusiasm will make a significant contribution to our community, and we look forward to having you on board.
Sincerely,

Kastab Garai

Founder , Bug2Build Community
